PROFILE

I'm a passionate software developer searching for a company where I can develop my knowledge, learn, and contribute to the success of the company.

EDUCATION

B.S. in Computer Science at Interamerican University of Puerto Rico, Bayamón | Jan 2019 – Dec 2022

WORK EXPERIENCE

Software Developer

Evertec Group, LLC ("Evertec") | April 2022 – Present
- Fixing vulnerabilities in the web application
- Developing new features requested by the client
- Manages incidents and On Call requests
  - Tools: HTML & CSS, JavaScript, Java, Oracle SQL, GitLab, Jira, Unix commands

Full Stack Developer - Profressional Services

True Technologies, LLC | April 2020 – Present
- Design and build the website architecture and navigation
- Developing web applications for Puerto Rico Realtors and others
- Meeting with clients to discuss website design and function
- I'm impacting the economy of the company with the creation of three templates and this saved $70 per customer in the creation of new web applications
  - Tools: HTML & CSS, WordPress, Elementor Pro, Chrome Inspector
